

RELIEVING & EXPERIENCE LETTER

17, January 2018

Mr Mridul Manna
Employee Code : 00209802

Dear Mridul,

This is with reference to your letter of resignation dated 15, December 2017. As per your request, you are relieved from our services on 31, December 2017. We certify that you were employed in this organization from 09, January 2017 to 31, December 2017 and designated as ENGINEER - SPECIALISED TESTING.

We thank you for your services at SASKEN and wish you success in all your endeavours.

Finance & HR departments will complete the full and final settlement of yours. Please be in touch with the respective departments for the same.

At this juncture, we would also like to remind you that, notwithstanding the severance of your employment with SASKEN, certain obligations under your Letter of Appointment and any other connected agreements and documents that you may have signed during your employment with SASKEN (hereinafter collectively referred to as "**Employment Contract**") shall survive and continue. These obligations include, but may not be limited to, obligations of confidentiality, obligations of non-solicitation and obligations relating to any intellectual property to which you may have contributed, while employed by SASKEN. We request you to bear these surviving legal obligations in mind.

Yours faithfully,
For Sasken Technologies Ltd
