Date: 13th August 2024

Dear **Raj Maruti Nandwadekar**,

House no. 1, VTC ground road,
Geeta Colony, koli niwas,
Ulhasnagar-4, Thane, 421004

Congratulations! We are pleased to offer you the position of **Software Tester** at **Marquistech AB**. We believe that your qualifications and experience make you an excellent fit for this role, and we are excited to welcome you to our team.

Your employment will begin on **01st October 2024** and is set to end on **30th September 2026**, with the possibility of extension if needed. You will have a probationary period of 3 months, during which we will provide the necessary employment and payroll support.

Your Annual gross salary will be **588,276 SEK** divided into 12 equal monthly payments of **49023 SEK**. The payment of your salary shall be subject to statutory deductions such as Tax Withholding.

Your work schedule will be *40 hours per week, Monday to Friday*, and your primary responsibilities will be outlined in the "Software Tester " Responsibilities" appendix.

You will be entitled to 25 days of vacation a year in accordance with the Vacation Act (Semesterlag, SFS 1977:480). *The earning year is the period running from April 1st to March 31st of any year.*

You will be entitled to sick pay in accordance with the Sick Pay Act (Lag om sjuklön, SFS 1991:1047), sick pay in an amount of 80% of gross salary will be paid during the first 14 days of illness, minus a deduction (Swe. "Karensavdrag").

You will report to Project Manager, Rohit Sawant, who will provide guidance and support, as well as feedback on employment-related matters.

To accept this offer, please complete the following steps:

- Personal Details: Submit your personal information to set up your employee profile, manage payroll and benefits, and ensure accurate records.
- Certify information accuracy: By accepting this offer, you certify that all provided information is true and accurate to the best of your knowledge.
- Comply with company policies: As a team member, you are expected to adhere to all company policies and procedures, including the code of conduct, communication, privacy, and security policies.
